**DECLARATION OF LICENSE GRANT**

*Please read the terms of this agreement, print, initial page 1, sign page 2, scan and send the document as one file attached to main document.*

Title of the submitted manuscript (Work):	
1. Author's name(s)	
1. Institution	
2. Author's name(s)	
2. Institution	
3. Author's name(s)	
3. Institution	
4. Author's name(s)	
4. Institution	

- I/We hereby declare** that the manuscript has neither been published previously, in whole or in part, nor has it been submitted for publication elsewhere.
- I/We hereby confirm** that all graphs, schemes, and images included in this paper are either original works of authorship or have been used with the explicit permission of their respective authors.
- I/We hereby grant consent** for the Work to be published online by **The London Academy of Science and Business (LASB)**, the publisher of the scientific journal *Virtual Economics*.
- I/We hereby grant LASB a non-exclusive, royalty-free, perpetual, and worldwide licence** to reproduce the Work using digital technology and to make it publicly accessible, allowing individuals to use it at a place and time of their choosing. Furthermore, **I/We declare** that **I/We grant** all interested parties a licence under the **Creative Commons Attribution 4.0 International (CC BY 4.0)**, the full terms of which are available at <https://creativecommons.org/licenses/by/4.0/> or in another language version of this licence, as well as any subsequent versions published by Creative Commons. This point means that everyone shall be able to use the Work not only within the scope specified in the act on limitations and exceptions to copyright, but they shall also be able to distribute it in the original version or its analysis, for any purpose, with the reservation that personal copyright laws are observed, especially with respect to keeping the information about the author.
- LASB is entitled to exercise its rights** through digital repositories, databases, and other selected infrastructures. The licence includes the right to make **technical modifications** to the Work, without altering its substantive content, where such modifications are necessary to comply with the technical requirements of the infrastructure used by LASB.

6. **I/We declare** that LASB's use of the Work within the scope of the granted licence shall not infringe upon the rights of any third parties. In particular, **I/We confirm** that **I/We hold the necessary author's proprietary rights** to grant this licence, and that the economic rights to the Work have not been transferred to any other entities, or that **I/We have obtained the necessary permissions** from such entities. In the event that any third party asserts claims related to the Work, **I/We undertake to take all necessary actions** to release LASB from any potential liability.
7. **I/We hereby declare** that **I/We have no financial affiliations** with, nor are **I/We financially dependent on**, any organisation or entity that has made a direct financial contribution to the subject of this study or the materials tested therein (e.g., through employment, consultancy, shareholding, or fees), **except as disclosed in the attached statement**. Furthermore, **I/We acknowledge** that any financial support or subsidies related to this study or project **must be explicitly disclosed** in a footnote on the first page of the paper.
8. **I/We make this declaration in our own name and on our own behalf**. This provision confirms that the signatory represents themselves and that the licence is granted based solely on their own rights.
